Dear Harold -

Lately, the years just seem to "explode" by. Hard to believe we are pushing on year 2000 !!!

Best of everything -

Paul H -

May there always be
a sparkling twinkle in your eyes...
May there always be
a sunshiny glow in your smile...
May there always be
a merry song in your heart...
May there always be
a fun-loving spirit in your life...

Happy Birthday

And keep that JFK "stuff" coming !!!

Best -

Paul H -
